Oklahoma's oldest pizzeria enjoyed its most successful grand opening in company history earlier this month with the unveiling of its newest location at 1150 N. Ninth St. in Broken Arrow. As part of the opening day festivities, Hideaway Pizza pledged 100 percent of opening day sales to support Westwood Elementary School. On Monday representatives from Hideaway Pizza meet Westwood Elementary Principal Terry Carner and a group of students, and Jo McCord from the Broken Arrow Public Schools' Partners in Education program, to present a check for more than \$12,000.
